Michael Scott Hertzberg

Staff-level Software Engineer > mshertzberg@gmail.com

A self-taught programmer since childhood, Michael's interests range from dealing with Perl and PHP 3 in the late 90s, gray-hat hacking in the 2000s, modern JavaScript development in the 2010s, to Large-scale web application development & architecture into the 2020s.

Web application engineer with 14+ years of professional experience with a passion for continuing education and mentorship.

Expertise in green-fielding scalable, multi-tenant web applications with TypeScript and Infrastructure as Code solutions.

Former BeerJS chapter leader; Former Marionette JS group speaker; Open Source contributor.
